

## Final project Option 1 Google

Images that will be used for the google doodle of Naruto

G - logo  
of the  
main  
village in  
Naruto  
(konoha)

O - one of  
the special  
eyes in  
naruto  
(sharingan)

O - one of  
the special  
eyes in  
naruto  
(byakugan)

G - Kunai  
from Naruto

L - Naruto  
Himself

E - Villain  
group in  
Naruto  
(akatsuki)

### Animation plan:

The konoha logo will flip around the X axis to reveal the G of google

The sharingan will rotate to reveal the first o of google, the byakugan will enlarge to reveal the second o of google  
Both animations of the Os will mimic how they are activated/animated in the anime

The kunai will flip around the X axis to reveal the second G of google, similar to a spinning kunai

Naruto will disappear/appear in a puff of smoke, similar to his signature jutsu in the anime (kage bunshin no jutsu)

The akatsuki cloud will loop up and down to mimic the movements of a cloud
